

CA2N 2009 Rally

The Frogs are changing the location of their 2009 Rally. We are moving it up to the mountains above Sonora, CA . The location is at Long Barn, which is about 20 miles east of Sonora on Hyway 108. They have 8 cabins and a 20 room motel (see enclosed brochure). The cabins all have kitchens, and one of the motel rooms has a kitchen.. There are restaurants and a grocery store within 2-3 miles for those of you will be staying there. I would suggest that you make your reservations early.

The Long Barn Lodge also has a swimming pool, and an indoor area to get out of the sun or cold, and there will be music for those of you who like to “shake the rug”.
